GENERAL FACULTY

Agenda Item

Date: February 3, 2011

Number: V. 1. c.

Subject: Deletion of KN Health Education and Promotion Concentration

Description:

The Health Education and Promotion Concentration will no longer be offered as a stand alone Bachelors of Arts Degree Concentration. Students interested in careers related to Health Education/Promotion may pursue the Bachelors of Arts – Flexible Option. There is an ongoing lack of students pursuing this concentration making it difficult to offer several courses required in the degree plan.

Approved by Faculty Senate October 25, 2010.

Financial Implications: None.

Requested Action: General Faculty approval.

Presented By: Dr. Randall Pembrook, Vice President for Academic Affairs and
Dr. Nancy Tate, Associate Vice President for Academic Affairs
### General Information:

- **Change**: □
- **Deletion**: ☑

1. **Reason for this program change or deletion?**
   - Ongoing lack of student majors pursuing this concentration, making it difficult to offer several classes required in the degree plan.

2. **Complete revised description (including program title, requirements, courses within program, credits, and prerequisites)**

### Deletions

3. **Is the program being deleted from the catalog being replaced with another program?** Yes □ No ☑
