the chair for various round tables, as well as participating in the development of Blue Skyways, the library Web portal for the State of Kansas. Anne is also the recipient of the Mountain Plains Library Association Board Choice Award for 2002.

Nationally, Anne has been a member of the American Library Association for eleven years and has served as Webmaster and co-managing editor of the CD-Rom Documentation Project for the ALA-Government Documents Round-table with the Government Information Technology Committee. I believe that I can make a contribution to the Library's mission of lifelong learning."

Robert W. Richmond

President of the Friends of Mabee Library, received the American Association for State and Local History's Award of Distinction at the Association's annual meeting in Portland, OR, September 27, 2002. The award, given only fourteen times in the sixty-two year history of the organization, is for "innovation, creativeness, leadership, and service to the history profession." Richmond has been active in the organization for many years and served as its president in 1985-1986.

Library Awarded LSTA Grant

Mabee Library received an LSTA grant from the State Library of Kansas in the amount of \$3,500 for an Ariel workstation. This grant will be used in conjunction with the ARL Interlibrary Loan/Document Delivery Performance Measures Study to evaluate and assess Mabee's Interlibrary Loan/Document Delivery services. The ARL ILL/DD study will provide benchmarking information. Ariel technology transmits over the Internet using both FTP and email protocols to send and receive materials. Ariel will provide the basis for Mabee Librarians to enhance the use of the Internet for online document delivery.

Virtual Reference Pilot Project

WU is participating in KanAnswer, a state-wide Virtual Reference pilot project. Three librarians from Mabee Library will each provide 2 hours "virtual" coverage a week. The project is a 6-month pilot starting January 2003, using LivePerson Software.
