Mr. Arthur A. Fletcher  
847 Azalea Drive  
Rockville, Maryland

Dear Mr. Fletcher:

While it is March and our previous correspondence inviting you to attend and speak to a group of West Chester County Teachers Association members on August 18 is still some-time away, we have not yet heard from you and are most anxious to know your response and reaction to this invitation.

*Sunday,  
October 18*

Miss Wricks is pressing me for the information so that they can arrange their 1970 - 1971 Yearbook, and this confirmation seems to be a matter of major importance to them at the moment.

With hopeful anticipation of your prompt and favorable response.

Sincerely,

*Margaret E. Hasebroock*

Mrs. William H. Hasebroock

Assistant Dean of Education
