Recommendation of Sept. 11, comm:
1951M.

we Black Americans are not ready &
we appear not to know it. Nor do
we appear to give it credence.

Who's in charge? Are the preachers
in charge, the educators, our business,
unions, our trade & professional
organizations our colleges & universities,
Soviet & Frenchies, the trade
union membership, etc.

False urgency.

The Good News, is America Needs us as
never before. The bad news, we don't
recognize it, consequently we don't

We made Americans are not working &
 we appear not to know it. No. etc
 we appear to give them.
 who's in charge? are the producers
 in charge, the executives, our business,
 whether our track of production
 organizations our colleges & universities
 & the business. Tracks
