

Half-Full / Half-Empty Metaphor
is often of used by professional
communicators to clarify
their messages and/or draw
attention to points & make them
solve & understood. I'll employ
that fact as my reason for
employing it, to explain my
the mission, Goals & objectives
I plan to pursue, for
throughout and the final
chapter of my life's journey.
My life's journey began
on December 22, 1924, that's the
day I was born. My Mother &
Father were both born in Texas
and I was born in Phoenix, AZ.
