Dear Sir:

One man in America is up against a stone wall because of his misdeeds. He is the "fairest of them all"--blessed indeed, with scary intelligence, charisma, wit, winning smile, power, yet near a nervous breakdown. His supporters forsake him--desert him. He faces the greatest political failure of all time. His ego is being shattered. He has betrayed his own--beginning with his own wife.

Please, great one, get down on your knees, confess your sins, repent, beg forgiveness and lead America back to God, we pray in the Name of our Beloved Lord and Saviour Jesus Christ.

Sincerely and Respectfully, In Christ

To the Editor:

Many of the ambiguous hypotheses of the Godless America 2000-Goals 2000 education theory embodying outcome based education, values clarification, mind manipulation-indoctrination come directly from the Anti-Defamation League "WORLD OF DIFFERENCE" PROGRAM". The home office of this subversive organization is 823 United Nations Plaza, New York, New York 10017.

The ADL is using its tax exempt, "public interest" cover for its political activities and worse. The ADL is supposed to be prohibited by its 501(c)(3) status from political action, but it violates the rules every day. Tens of thousands of teachers have been subjected to this New Age "A World of Difference" seminars over the past seven years. Parents, order a copy of their catalogue, "Human Relations Material for the School" as I did. Read it for yourself and get an idea of the kinds of prejudices and fears being peddled on your children!!

Call your congressmen or the IRS at 1-800-829-1040 to file a complaint.

Sincerely, In Christ
