

In this financial seminar, Martin said, I won't get share with you but I've seen the premises and he was right, because I was recommended the next day he had to ^{be} satisfied with visualizing what it would be like. I have talked with the prospect of garbage collectors version, that brought him to Memphis to head the demonstration the next day. He told me ~~that~~ ^{for} ~~the~~ ^{himself} demonstration ^{King} that night, the King's journey was over, that he had won his race that his last leg was almost over.

King had a vision of the premises learned, not only did he know

Tell what you are
going to tell.

Tell them

Tell them what you told
them.
