The Honorable George P. Shultz  
Secretary of Labor  
Department of Labor Building  
14th and Constitution  
Washington, D.C.

Dear Mr. Secretary:

Aware and responsible Kansans are highly pleased with, and very proud of Under Secretary of Labor, Mr. Arthur Fletcher.

His recent visit to Kansas was a great success, from the viewpoints of both the black and the white communities. What he has to say represented a sensible and workable approach to many of the problems which concern us all.

If his visit in Topeka was his customary way of representing the United States Department of Labor and the Nixon administration (and I am sure it was), then I feel very good about the future of the Republican Party and our country, in as far as the people he will reach.

Thank you for allowing us the privilege of having him in Kansas.

Sincerely,

*Lahoma Dennis*  
(Miss) Lahoma Dennis
