Dear Sirs:

In my assignment as Brigade Food Service Officer at Fort Belvoir I have been able to observe and appreciate my head Dining Facility Attendant (DFA) of the morning shift at Consolidated Dining Facility II (CDF II), Mr. Johnnie L. Mixon. His hard works and dedication to his job has not gone unnoticed.

Mr. Mixon consistantly meets the standards and goes the extra mile to make sure the dining facility is clean. He has a good working relationship with SFC Hartman and communicates well with DFA's who work with him. Each time I visit the facility he always shows me an area he has improved. It may be a better system for cleaning the walk-in refrigerators or a newly waxed floor. Regardless of the magnitude of the task, Mr. Mixon takes pride in his work and believes in earning his pay.

I strongly believe in recognizing soldiers and civilians who achieve high standards. Mr. Mixon is one of those individuals. His dedication is a credit to Consolidated Dining Facility II and to Author A. Fletcher Associates, Inc.

Sincerely,

JEFFREY R. PONDER
