Honorable Jerry Lewis
U.S House of Representatives
2112 Rayburn Building
Washington D.C. 20515

I am writting concerning the recision bill signed on July 22, 1995.

If this bill is signed I will not have a summer job next year and I will have no money to help my mom out or to pay rent or to buy food and clothing. This summer youth programs really helps me out during the summer when we are out of school. Please reconsider and Thank You for reading my letter

Sincerly,

Veronica Gomez
