RE: Providing Assistance

Dear Dr. Fletcher;

Per our conversation this morning, we hereby confirm our support for the U.S. Government in these very difficult times. We are aware of the financial strain on our Government Resources, so we are willing to pledge to the U.S. Government the sum of **U.S. \$50 Billion Dollars** to be pledged equally to the **50 States plus District Of Columbia** (about *U.S. \$980.39 Million Dollars* each) thru the U.S. Government to assist in their financial needs to be used as needed.

We hope this will assist the Bush Administration and Congress, relay our thoughts and prayers to them.

Please Make Note: We are providing **U.S. \$50 Billion Dollars** Treasury-Direct Check Number: 2022 (attached hereto) for processing and collection and dispersement to **50 States plus District Of Columbia**.

Sincerely,
Dr. A.R Harrell Jr.
