Dearest William:

Congratulations! So nice of you to answer my letter and to inform us of your accomplishments.

We are both fine as can be for two 80 year old juniors (A mile)

We would love to come and pay you a visit when you relocate to Las Vegas. Doc, is trying to get ready for the coming elections, he had a surprise that will surprise both the Republicans + Democrats. I'll keep you posted when he's about ready to launch the event. My love to the ones. Take care of yourself, and may God

"..as for me and my house, we shall serve the Lord." Joshua 24:15

continue to richly bless you.
Mrs Fletcher
