Dear Art:

We want to acknowledge your Ichabod Club contribution of \$250.00 and to thank you for your continued help with our athletic scholarship program.

I want to mention to you that we all enjoyed having you with us during the fall season and are looking forward to your continued visits with us in the future.

Your exploits on the Washburn gridiron are ones that all Ichabod fans and alumni reminisce about continuously. It is obvious also that you are still carrying the ball in the right direction in your present position.

Remember, we look forward to having you with us again in the future and please feel free to drop by at your convenience.

Incidentally, your check (partial honorarium from the National Conference of Christians and Jews, Inc.) has been deposited with our athletic scholarship funds in the University Business Office and will continue to be used for our athletes who qualify academically.

Enclosed you will find your 1971-72 membership card as well as your Ichabod Club parking sticker. This sticker should be placed on the left side of the front windshield so that it will be easily identified by our security guards for admission to our parking area, if and when you visit us during the sports season.

Again, thank you for helping make our athletic scholarship program possible.

Sincerely yours,

Mike Sarkesian
Director of Athletics
