*Lietutenant
Governor*

Lietutenant Governor John A. Cherberg, Democrat, is a candidate to succeed himself. opposed in the primary by **Kelly McKennon** and **Charles A. (Lindy) Lindberg**.

The Republican candidates for the post include **Art Fletcher** of Pasco, who has served as city councilman and instituted a neighborhood self-help association there; **Bill Muncey**, of hydroplane racing fame; and **Sidney Roach**.

Fletcher has been campaigning hard, and was appointed to the Nixon-Agnew national steering committee on urban problems and minority affairs. He has appeared at Republican fund-raising events all over the state (including several in Kitsap County) and most observers consider him the favorite for the nomination, although Muncey may rate with some voters because of name familiarity.
