Re: BUSH-CHENEY 2004 KICK-OFF ON JUNE 17th

We are writing to ask you to join us at the Bush-Cheney 2004 campaign kick-off on June 17, 2003 in Washington DC. We are honored to serve as Co-Chairs of the event, and are asking you to please consider purchasing one or more tickets to this most important occasion.

We know you will agree that President George W. Bush has provided strong, steady, decisive leadership during one of the most troubled and challenging times in our nation's history. Among his many accomplishments since taking office, President Bush has worked with members of both parties to deliver the largest tax cut in a generation, pass the "Leave No Child Behind" legislation to teach every child to read, and create the Department of Homeland Security to keep our country safe. His leadership in the war against terrorism has been inspiring. And the world has seen what we know that George W. Bush has returned dignity and honor to the White House.

President Bush and Vice President Cheney need your early support to begin to defend their record and lay out their optimistic vision for our country's future.

Will you please
