Memo; To Leroy Tombs

From: Arthur A. Fletcher

Sub: The money to be earned and profits to be made by those engaged in Federally Government funded Low and Moderate Income Housing Production and Renovation industry.

Leroy: This Memorandum is for your grand-daughter and others in her generation,

First I'll state that I down loaded this information explaining the federal government's ^{SP.} LOW AND MODERATE HOME OWNERSHIP PROGRAMS from inter-net. However, I am only faxing the front page of each document. Therefore, to get the entire document, all she has to do, is check the information at the bottom of each page and she can down load the entire document for herself.

THERE IS ENOUGH HERE TO GET YOUR GRAND DOUGHTER STRATED ON THE ROAD NOT ONLY TO BECOMING KNOWLEDGABLE, BUT A EXPERT ON THESE PROBLEMS.

THE BIBLE IS RIGHT WHEN IT SAY'S "THE POOR WILL BE WITH YOU ALWAYS". THAT WAS TRUE IN MY MOTHER AND FATHER'S GENERATION, ~~IN~~ MINE AND YOUR GENERATION, AND IT WILL CONTINUE TO BE THE TRUTH IN YOUR GRAND-DAUGHTERS, AND HER SON'S GENERATION, AND BEYOND. IN OTHER WORDS A OVER SUPPLY OF POOR PEOPLE WILL INHERIT THE EARTH, AS LONG AS IT EXIST.

~~AND~~ THE PROGRAMS THAT FEDERAL AND STATE GOVERNMENT AGENCIES HAVE DEVELOPED TO MANAGE THE PROBLEM OF HOUSING THE POOR IS NOT GOING AWAY, BECAUSE POVERTY IS A PROBLEM THAN NO GENERATION HAS SOLVED. AND I SEE NOTHING EITHER ON THE SURFACE OR BELOW IT THAT SUGGEST THAT IT WILL BE SOLVED DURING HER LIFE TIME, NOR THAT OF HER SON.
