dr. fletcher nd i talked. agreed to let the llc melt down. \$100,000 of the contract will be to pay for the time of the following people: in order of the magnitude of their time and efforts on the Act and Fletcher company...Ike Fields& Thomas Ruppanner(Gray Oaks Partners); Ruby Love(Director); David Boatright (Gabriel Partners); Janie Tisdale; Rick Legget..The balance will be used to compensate, Dr. Fletcher (Friends for America's Future)for his time and advisement, and to Cat Island, LLC, for the services of Romerio Perkins and Cat Island Corporation. I have spoken with Mr. Jones on this matter, and he is amenable, to paying the checks as he is advised to those private and corporate persons so listed above.
