12 November 1979

Dr. Edward Christian  
8012 Buist Avenue  
Philadelphia, Pennsylvania

Dear Sr. Christian:

Again I wish to thank you for your excellent program on drug abuse: surely many of our students will be thinking more soberly about the drug situation.

It is my hope that your schedule will permit you to visit us again this year and speak to those students who were unable to benefit from your first presentation.

I wish you a pleasant holiday season.

Yours truly,

A handwritten signature in cursive script, which appears to read 'Laurence Jeweler'. The signature is written in dark ink and has a long, sweeping tail that extends to the right.

Laurence Jeweler
