Dear Mr. Fletcher:

Since taking control of Consolidated Dining Facility II on 1 May 1985, the 30th Engineer Battalion has worked to improve the interior and exterior appearance and the food quality that we provide. The work has often lead to extra work for the employees of your firm.

Under the direction of Mr. John L. Mixon, your personnel have constantly given 110% to help us attain our desired standards. I would like to personally extend my appreciation and that of all the soldiers that dine in CON II for the outstanding work you do. Thank you once again.
