

For a Special  
MOTHER

"A  
Mother  
Makes a  
Difference"

A SPECIAL  
MOTHER'S DAY  
MESSAGE  
BY  
AMANDA BRADLEY

*A mother makes a difference*

In so many lovely ways,  
In the echo of her wise advice  
And gentle words of praise,  
In the sense of family closeness  
And belonging that she gives,  
In the beautiful example  
Of the caring life she lives.

*A mother makes a difference*

In the way she loves us so-  
In ways that others see...  
And ways that only we can know.

*Amanda Bradley*

easy to say "thank you"  
lessons you have taught,  
ful words you've spoken,  
lost you have brought...  
to say "thank you"  
ness you've shared,  
for the help  
always offered,  
special way  
you've cared...

It's easy to say "thank you"  
for so many special things...  
but it's difficult to tell you  
how much love  
each "thank you" brings.

Happy  
Mother's Day  
Big Art.
