

3rd Battalion USAESBde

# Certificate of Achievement is presented to

FLETCHER & ASSOCIATES KITCHEN AND POLICE TEAM

For exceptional meritorious achievement during the period 10 September 1985 to 10 October 1985 while serving as the Kitchen Sanitation and Police Team at Consolidated Dining Facility III, C Company, 3d Battalion, United States Army Engineer School Brigade, Fort Belvoir, Virginia. Demonstrating exemplary dedication and uniqueness of purpose, you provided invaluable assistance to our soldiers in preparing the dining facility's interior for the 1985 TRADOC Connelly Competition. Thanks to your selfless cooperation, hard work and attention to detail, CON III was immaculately scrubbed, polished and painted, from top to bottom with remarkable efficiency. As a direct result of your contributions, it was later found by the Connelly inspectors to be commendable in the areas of both cleanliness and sanitation. Your outstanding accomplishments reflect distinct credit upon yourselves, the Dining Facility and Fort Belvoir.

Given the 2d day of December 19 85  
at Fort Belvoir, Virginia
