Valley City, North Dakota 58072

Dear Ron:

Thank you for writing. I appreciate your concern about what you have heard in the news about the Whitewater Development Corporation.

There is nothing more important to this Administration or to our ability to carry out our agenda of change and renewal than to secure, maintain, and deserve the trust of the American people. Throughout my career, I have been committed to the highest standards of public service.

As you may know, Attorney General Janet Reno has appointed Special Counsel Robert Fiske to investigate this situation. Mr. Fiske is a former U.S. Attorney from New York, appointed by President Ford. Mr. Fiske has pledged at the conclusion of his investigation to issue a report to the American people. I am cooperating fully with his efforts and am looking forward to the report.

I appreciate hearing from you.

Sincerely,

Bill Clinton
