

*Grandma*

*Means So Many Things*

"Grandma" means  
the memories and thoughts  
I'll always treasure  
of happy childhood days gone by  
and joys beyond all measure—

"Grandma" means  
a special smile  
tender, loving care,  
good advice and  
a listening ear  
and thoughts to share—

"Grandma" means a lot of things  
that words cannot define  
when she's the wonderful grandma  
I'm so ~~lucky~~ <sup>blessed</sup> to call mine.

WISHING YOU  
A BEAUTIFUL  
Mother's Day

Love, (you madly)  
Gina Harrison-Sommers
