"OUT OF THE MOUTH OF THE FALSE PROPHET?" (REV. 16:13)

President Bill Clinton is in dire need of a miracle--a hero if you will. The "rescue" of Scott O'Grady, the alleged downed USAF pilot flying over Bosnia under the flag of the UN virtually "on camera" (did the little red light appear in one shot?) of the prostitute electric toilet media sounds and looks like that miracle. Something about it though doesn't ring true. The aroma of the proverbial rose seems to be yielding to the unmistakable stench of the striped one, the black and white pole cat. If it walks like a duck and quacks like a duck it is indeed likely to be a duck. If it looks like a rose and smells like a rose, then it is likely a rose. If it sneaks furtively seeking entrance to the coop in the dark of night and that one of a kind stench permeates the air there is certainly another skunk in the neighborhood. Skunks have been rife of late!!!

No living human has the right to question another's religion. However Christianity is not a religion. Christianity is a way of life!! Every Christian who is a member of HIS Church, which is to say the Bride of Christ, does not hesitate to lift up the Name of the Living God (1 Tim. 3:15) which is to say LORD JESUS CHRIST, every Christian's Saviour and Redeemer. (Matt. 7:23) The airwaves are saturated with the term god. Which god? Again, something does't ring true, which is par for the course these days:

Has anyone heard audibly or seen in print the name of the Father, Son and Holy Ghost, which is to say LORD JESUS CHRIST--the LIVING GOD? For there are three that bear record in Heaven, the Father, the Word, and the Holy Ghost; and these three are one. I John 5:7

"And this is the record, that God hath given us eternal life, and this life is in his Son." holy trinity or triune god is not in the Holy Bible the WORD, ~~not~~ Strong's Concordance!!

Those terms are more verbicide, the deliberate perversion of a word, of a language of a land. ALAS!! Praise His Name above all Names!! HALALUYAH!! HALALUYAH!! AMEN AND AMEN!! Which is to say, "and that's the way that is."
