Letter to the Editor:

Pursuant to writing a report on "COMPLIANCE 2000"--Ominous Trumpet? regarding the right rendering "color of law" public policy as compared to public law the following write taken from the "ORANGE COUNTY REGISTER" which was published the day after the dastardly Oklahoma holocaust perpetrated upon our American Republic just came to my attention: "...the ANTI-DEFAMATION LEAGUE (ADL) OF SAN DIEGO COUNTY has started a computerized registry to better analyze and combat the problem of hate crimes and incidents of bias. Every law enforcement agency in the county has agreed to turn over its police records to the League for the posting of the registry."

We the People, that action is akin to appointing the foxes and skunks to guard the chicken coup!! Could this "deal" cut with San Diego in any way enhance "COMPLIANCE 2000's" store of un-mis-disinformation regarding California citizens? How about your township, city, county or State, subjects? How about the big computer bank in St. Louis? Or is that the computer base the IRS is using?

The ADL hate mongers continue their insidious, deceptive manipulative control of the Hegelian Principle in America, targeting opponents to George Herbert Walker Bush's New World Order. Through their "World of Difference Program" from which many of the ambiguous hypotheses of the GODless America-Goals 2000 education (read indoctrination) theory embodying OBE, values clarification, mind manipulation-indoctrination are adopted they continue their Satanic influence in the "dumbing down" of America. The home office of this subversive organization is 823 United Nations Plaza, New York, New York 10017.

The ADL is using its tax exempt, "public interest" cover for its political activities and worse. The ADL is supposedly prohibited by its 501 c3 status from political action, but it violates the rules every day. Its sister AIPACs own the congress. Tens of thousands of teachers, according to their own publications have been subjected to this NEW AGE "A WORLD OF DIFFERENCE PROGRAMS" seminars over the past seven years. Parents, please order a copy of their catalogue, "Human Relations Material for the School" as I did. Read it for yourself and get an idea of the kinds of prejudices and fears, and "multi-cultural diversity" garbage being peddled upon your kids and grandkids.

Call your congressman or the IRS at 1-800-829-1040 to file a complaint!

The ADL is not "Jewish". It is made up of Kenites--sons of Cain/Satan, those "which say they are Jews, and are not, but are the synagogue of Satan!" (Rev.2:9 &3:9) The Kenites became the scribes 1471 years B.C. (I Chron.2:55) Is it any wonder our history books and the Holy BIBLE have been dumbed-down and numbed-up? The ADL is hiding behind the Jewish people, persecuting them with poisonous hatred of the abominable ADLs own making. The Jewish people must stop taking the rap for this scurrilous group and expose the ADL for what it really is: A tool of the one-world government schemers to divide our people and conquer our country from within ( as Kruschev prophesied in 1960!!) through multi-cultural diversity promoted through their "World of Difference Program. Wake Up America! Wake up preachers! May Almighty God richly bless AMERICA ....again as is justly deserved. DEO VOLENTE HALLELUYAH!! AMEN & AMEN sincerely in CHRIST Jesse Cannell

p.s.: There are KENITES of every race, creed and color. Satan does not discriminate!! he is indeed an "EQUAL OPPORTUNITY EMPLOYER/USURER!!!" *Jesse Cannell*
