Dear Friends: 

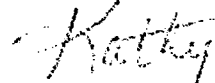

As you know, over the past two decades I have dedicated my time and energy to Renton through my work on city council. I have been fortunate to have friends that have supported my efforts all these years. I am now excited to be making Renton's top job - Mayor. I am ready and well equipped for this big step, but I need the help of my friends and so if I'm going to win the election.

Sometimes I think the hardest part about being an elected official is fund raising. It's not easy asking people for money, but it's an essential part of getting elected to any office these days, and it's as important as Mayor. This year will be more so because there will likely be two elections, a primary and a general election. So I have to begin early and continue to raise money throughout the campaign.

I'm proud of my record of hard work and accomplishment on the city council. Now I want to apply that same work ethic to the duties of Mayor to make Renton the city that people want to call home. Every donation, yard sign, mailed supporter and phone call to a neighbor is a boost to my campaign. Please take a minute to fill out an envelope and put in a check for the "Kathy for Mayor" and send it in right away.

I would sincerely appreciate your help in this campaign whether you contribute to my campaign or not. If you have any questions or concerns you would like to talk about, please call or e-mail me or contact me through my website. Information is listed below. Thank you for your support.

Sincerely,

Kathy Keolker-Wheeler  
Your Next Mayor of Renton

P.S. I'm having a party for my supporters that's you!
