FOD NANA

DIANA

They call it
Mother's Day,
even though sometimes
it's not just our mothers
that we celebrate.
Sometimes it's the women
who give us their wisdom,
support, and encouragement.
You've been like a mother to me,
and I wanted you to know
just how much
you've touched my life.

Happy Mother's Day
Love,
Kathy
I'm in Morocco again
from May 2-12. I'll
give you a call after I
get over my jet lag!
