Mr. Arthur Fletcher
Assistant Secretary
Department of Labor
14th Street and Constitution Ave., N.W.
Washington, D. C. 20210

Dear Mr. Fletcher:

As I indicated to you following your presentation at the Republican Governors Association meeting in the Ozarks last Wednesday, I thought you did the best job I have ever heard of analyzing the Republican Party's relationship with the black voter.

I did not have an opportunity to talk with you following your presentation, but I would hope that we might have an opportunity to further discuss this subject at a future date. Possibly when you are planning a trip into Illinois, you could contact my office so that we might arrange to meet.

Sincerely yours,
