Honorable Arthur A. Fletcher
Assistant Secretary of Labor
Department of Labor
Washington, D. C.

Dear Mr. Secretary:

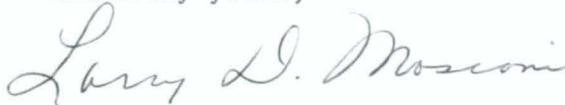

It was a pleasure to have you here for our conference. Your keynote speech set the tone for this entire 2-day seminar series. The idea of unity among the minority communities as they try to resolve the economic problems is one that should become a rallying point for those interested in trying to bring about an end to economic discrimination in this country.

It was a personal pleasure to meet you and talk with you about various subjects. I hope that we will have the opportunity to do so again soon.

As soon as the proceedings have been published, I will send you a copy, as well as a copy of my paper on the two Executive Orders dealing with public employee unionism, particularly the federal sector.

Once again thank you very much for coming. I hope to see you again. If there is any information that you want that I might have, please let me know.

Sincerely yours,

Larry D. Mosconi
