Dear Mrs. Lincoln:

Mr. Fletcher spoke last night at our Y banquet here in Mount Vernon and he was a great success, as you can see from the enclosed news clipping.

I wanted to take this opportunity to thank you, too, for the most pleasant and efficient way in which you handled things from your end of the line. We are most fortunate to have a man such as Mr. Fletcher in Washington and it appears that he is fortunate, too, in having capable assistants such as you. Thanks again.

Sincerely,

William M. Hughes
Executive Director
