

# **GENERAL FACULTY**

## **Agenda Item**

**Date:** February 3, 2011

**Number:** V. 1. c.

**Subject:** Deletion of KN Health Education and Promotion Concentration

**Description:**

The Health Education and Promotion Concentration will no longer be offered as a stand alone Bachelors of Arts Degree Concentration. Students interested in careers related to Health Education/Promotion may pursue the Bachelors of Arts – Flexible Option. There is an ongoing lack of students pursuing this concentration making it difficult to offer several courses required in the degree plan.

Approved by Faculty Senate October 25, 2010.

**Financial Implications:** None.

**Requested Action:** General Faculty approval.

**Presented By:** Dr. Randall Pembroke, Vice President for Academic Affairs  
and  
Dr. Nancy Tate, Associate Vice President for Academic Affairs

RECEIVED MAR 18 2010

Faculty Senate Action Item

No. 10-18

General Information: Change  Deletion

- Reason for this program change or deletion?  
**Ongoing lack of student majors pursuing this concentration, making it difficult to offer several classes required in the degree plan.**
- Complete revised description (including program title, requirements, courses within program, credits, and prerequisites)

Deletions

- Is the program being deleted from the catalog being replaced with another program? Yes  No   
If so, please explain.
- Is the content of this program being distributed to another program?

Changes

- Describe the nature of the proposed change.  
**The Health Education and Promotion Concentration will no longer be a stand alone Bachelor of Arts degree concentration. Students interested in careers related to Health Education/Promotion can pursue this through the Bachelor of Arts - Flexible Option.**
- Do you currently have the equipment and facilities to teach the classes within the proposed change?

Approved by Faculty Senate October 25, 2010
