Mr. Arthur Fletcher  
OFCC  
U. S. Department of Labor  
Washington, D. C. 20210

Dear Mr. Fletcher:

Enclosed is a study on trade union discrimination which examines the institutional system of the trade union in the construction industry. This is part of a larger study on a black militant program in Pittsburgh called Operation Dig. I believe you may be interested in this paper, and I would be most interested in your comments.

Thank you.

Sincerely yours,

*Irwin Dubinsky (rs)*
