Dear Dr. Fletcher;

I must say that you looked quite dapper the other night when I saw you shaking hands with President Clinton,especially with the red tie. My wife and I were watching CNN when they put Mr. Clinton's speech on at the NAACP convention. You have heard by now that Sumitomo Bank of California fired me without warning on July 5,1996 because of my advocacy for Dolphin Industries,Inc. I have enclosed a package which I sent to Eric Vickers and have already given a copy of this to Prentis Davis and Kenneth Terrell. When Harry Alford comes to San Diego on July 16,1996, I'll have one for him. This should make interesting reading for you. Please feel free to disseminate this information to the highest level which you deem appropriate. Should you wish to contact me,my phone number is (619)673-1832. Prentis,Ken,and I will be meeting with Mr. Bob Gnaizda in Los Angeles,CA on Thursday,July 18,1996. Mr. Gnaizda will be staying at the Biltmore.

Dr. Fletcher,I deeply appreciate your help and I am available for whatever you need.

Respectfully,
