SUBJECT: Letter of Appreciation

Mr. Vaughn A. Goodall
Chief of Logistics Contract Management Division
Directorate of Logistics
Fort Belvoir, Virginia 22060

I would like to thank the personnel at Con III Dining Facility for their outstanding efforts in improving the food service operations. Just two months ago, there were nothing but complaints regarding the food and service at Con III. I now hear compliments and read much fewer deficiencies in the Staff Duty Officer's Dining Facility Checksheet. Please pass my comments to Mr. Baker and his staff for their excellent food service at Con III. Keep up the good work!
